

MAKING AN OFFER

Now for the exciting part! When you are ready to write an offer, I will walk you through the contract. It is important to write a fair offer or you can run the risk of the seller not responding or even losing the property to another buyer making an offer.

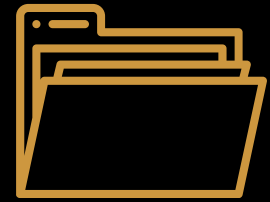

WRITE THE OFFER

This is where your real estate agent comes in to help you with pricing, contingencies, etc.

NEGOTIATE

This is where you counter, reject, or accept. Your agent will be a huge advocate during this step

SATISFY CONDITIONS

Time to sign on the dotted line and satisfy the conditions of the contract to accept your dream home.
